**POINT WEIGHTING G FOR THE COST SECTION**

**For the evaluation of the cost section the contractor's proposal, inclusive of all qualified proposals, will be scored in accordance with the following formula:**

- The lowest cost proposal will be awarded full points.
- Proposals within 2% of the lowest cost proposal will receive 90% of the points.
- Proposals within 4% of the lowest cost proposal will receive 80% of the points.
- Proposals within 6% of the lowest cost proposal will receive 70% of the points
- Proposals within 8% of the lowest cost proposal will receive 60% of the points
- Proposals within 10% of the lowest cost proposal will receive 50% of the points
- Proposals within 12% of the lowest cost proposal will receive 40% of the points
- Proposals within 14% of the lowest cost proposal will receive 30% of the points
- Proposals within 16% of the lowest cost proposal will receive 20% of the points
- Proposals within 18% of the lowest cost proposal will receive 10% of the points
- Proposals within 20% of the lowest cost proposal will receive 0% of the points
